Dear Dunmore Families:

It is with great sadness that we inform you about the tragic death of one of our students, a member of our sophomore class. This loss is sure to raise many emotions, concerns, and questions for our school community. As our school district works to navigate this tragic loss, our hearts go out to his family and friends.

We understand that this news may impact our students, staff, and families differently. In order to address the varying needs of our school community, the Dunmore School District has a Crisis Intervention Team made up of mental health professionals trained to assist students, parents, and school personnel at difficult times such as this. We will have members of our team available at our Junior Senior High School for any student who may need any assistance surrounding this loss.

Parents with any questions or concerns regarding this loss and its impact on their students are encouraged to contact our Guidance Department at (570) 346-2043.

In addition, we have posted additional materials on our district website for anyone wishing to utilize supplemental resources dealing with grief.

As we continue to offer our deepest condolences to his family, may we join together as a school community to find strength to honor his memory.

Sincerely,

Timothy Hopkins

Principal
